

The Cooperation Project in Higher Education 18-COP-0012 **CITE - Computing Innovation for Technology Entrepreneurship**, developed by **University POLITEHNICA of Bucharest** together with **Østfold University College** from Norway, will take place from October 2019 to September 2021.

The project is carried out through the **Education, Scholarships, Apprenticeships and Youth Entrepreneurship Programme financed by the EEA Financial Mechanism (2014 – 2021)** and aims mainly to improve the didactic and research components of the Faculty of Engineering in Foreign Languages Master Programs in the fields of Engineering and Management and Computers and Information Technology.

We invite you to attend the Opening Conference of the project, which will be held on Wednesday, October 30, at 18.00, in the AN024 Paul Cristea amphitheater.

You are also invited to the following presentations, given by professors from the University of Norway:

- **Systems and Software Engineering in an interprofessional perspective**, to be held on Tuesday, October 29, at 18.00, in the room CB105.
- **The need of research in IT**, to be held on Wednesday, October 30, at 19.00, in the AN024 amphitheater.
- **The Academy-Industry collaboration: a view from IT**, which will take place on Thursday, October 31, at 18.00, in the amphitheater AN024.
